INTERVIEW AGENDA

FOR PURPOSES OF DISCUSSION ONLY -- NOT FOR ENTRY INTO THE RECORD

Applicant thanks Examiner Young for agreeing to schedule an interview in the above-referenced case. Applicant's representatives propose the following topics for discussion during an interview on November 22, 2011, at 10:30 a.m. EST.

1. General discussion of Applicant's claimed invention.
2. Discussion of rejections under 35 U.S.C. § 103(a) based on U.S. Patent Pub. No. 2004/0089292 to Pollet et al. ("Pollet") in view of one or more of U.S. Patent No. 6,003,205 to Dehaven; U.S. Patent No. 6,164,275 to Van Iderstine; and U.S. Patent No. 5,564,583 to Kelley et al.
 - a. It would not have been obvious at the time of the invention to modify Pollet as proposed by the Office Action.
